STEM NEWS

The Junior School continues to learn more about coding, sequences and how to problem solve, fix mistakes and create solutions. The Senior School are embedding a similar skillset using Minecraft Code. Each student has a focus on progress and continuing to challenge themselves in order to more creatively use the resources at their disposal.

SPORTS NEWS

School Sports Australia National Swimming Championships, Hobart 26 – 31st July.

On the first day was my best event, the 50-metre butterfly. I really wanted to make the final, which was top eight in Australia. My time before was 37.76 but I had to swim faster than that. In the end, I ended up swimming 35.29, which I was extremely happy with. I just slipped into the final in 8th position. Overall I came 8th.

The next day was the freestyle. I didn't think that I would make the final but I wanted to get a personal best time (P.B). My time was 33.82. I did swim a P.B in 33.39 seconds and I came 12th.

They were my two best events but in the freestyle relay and medley relay, we came 5th. In my backstroke, I came 12th. I had a great time and I made lots of new friends and look forward to next year.

Girls Regional Soccer

On the 25th of July, the Lucknow Girls Soccer Team (Tiana, Maddy, Emily, Mary, Chiara, Seana, Gypsy, Molly, Charity, Charlie, Shae, Karlee and Georgie) went to Gippsland Grammar, Sale. We went there for Regional Winter Sports. We competed against four teams: Traralgon, Orbost, Sale and Newhaven. We drew three and lost one. Overall, we came 3rd. We were so excited to have made it this far and we tried extremely hard. We had a great day and lots of fun. We loved cheering each other on and had great sportsmanship.

We would like to say a big THANK YOU to Simon Ellis for coaching and training us! Thank you to Mrs Ingram and Sylvana as well for their help.

By Maddy Flynn and Mary Poynton.

MUSIC NEWS

Fastest Violinist

Ben Lee holds the world record as the fastest violinist. He is an English electric violinist, composer, producer, and is part of the rock violin duo FUSE, along with Linzi Stoppard. In 2010, he played 'Flight of the Bumblebee' in 58.515 seconds, an average of 15 notes per second! You can see Ben's performance at the following link. Do you think you can beat him? <https://www.youtube.com/watch?v=WFhvcYJe-hI>

BOOK WEEK DRESS UP DAY

On Thursday August 16th Lucknow is having Book Week dress up day. We encourage all students to come to school dressed as a character from their favourite book ready for a parade! The book character parade will begin at 9am and we would love to see lots of parents, grandparents and friends there!

ART ROOM NEWS

The new classes of children have arrived in the art room with great enthusiasm this term and grades 1 to 6 have been enthusiastically exploring and experimenting with clay. Preps have been settling in nicely to the routines of the art room and have drawn some lovely self-portraits, which will soon be on display in the foyer and in the prep hallway. They will also be working with clay in coming weeks.

Smocks

Please ensure all students studying Visual Arts this term have brought their art smocks to school, as we get pretty messy at times.

Mural

This week, Artist in Residence, Tracey Waddell, will be joining us. Tracey is a talented local artist and professional street artist, who specialises in large-scale murals. Over the coming weeks each class will have the opportunity to work with Tracey to help create a wonderful mini-beast mural, which will be sure to brighten up the schoolyard. Please ensure all students from grades 3-6 (even grades that don't have Visual Arts this term) have art smocks at school, as they will be using exterior paints for this exciting project.

The Big Issue

When in the office, please take the time to look at the wonderful artworks created by students from grades 4/5I and 5DM. The students were asked to reflect on 'A Big Issue'. Something that effected more than just themselves, but was a problem that faced the community or the world. Some of the topics chosen by the children were plastic pollution, global warming, homelessness, extinction, Fortnite and cyber bullying. Their task was to create awareness of this issue through a piece of artwork. It was up to the children to determine what form their artworks would take and what materials they would use to create it. This approach fostered student direction and allowed for great problem solving opportunities for the children. The children took the project very seriously and the level of engagement created a wonderful buzz in the art room. Well done to all of the children involved in these projects!
